

## WELCOME BACK TO SCHOOL

Dear Parents and Students,

I hope you are enjoying your summer and will be ready to come back for an exciting year at Northwestern Middle. I know the staff and teachers are looking forward to seeing halls full of smiling faces eager to learn. I have listed below some very important dates you will need to put on your calendar. We will have orientation in late July. At this time you will receive your schedule for the year, take your ID picture, pick up your home set of books, take care of any money needed to start off your school year, and scan your thumbprint for our food service department.

**Students:** You must wear your monogrammed uniform shirt in order to have your School ID picture made. Books will be checked out to you using your ID.

**Parents:** The school fee is \$35.00. Please bring cash or check made payable to NMS. **In the memo line of your check please put your child's name and orientation fee.**

**P. E. and Elective Classes:** The purchase of a PE uniform will be done during your PE class. The PE teachers will go over this information with you. Elective teachers will also go over any fees that need to be paid in those classes as well.
